

16th June, 2021

Dear Parents/carers and students,

It is with sadness that I write to confirm that we will need to reschedule our Year 11 Prom which was scheduled to take place at the end of the month. You will be aware that the postponement is due to an extension of national Covid restrictions which impact on our ability to meet as a large group in public places.

We will look to reschedule the event to an available date, hopefully in September, and will communicate this to you as soon as possible.

As previously stated, any money paid can be repaid to you at this point if you wish. Please contact the school if you wish to receive a refund.

Yours sincerely

Mr S White
Vice Principal
