

Summer Activity Camps 2020

Dear Parent / Carer,

Wellsway Multi Academy Trust is pleased to announce its summer activity program for summer 2020.

We have partnered with local and familiar third party operators which specialise in delivery of summer activity camps and will be supporting us to deliver a range of activity sessions across three of our school sites during the summer holiday period. All pupils are welcome at any of the sites.

Due to the Covid-19 pandemic, we are following strict government advice and guidance. Sessions will be grouped into no more than 5 children per session, will be of similar age with sessions held outside. Handwashing and toilet facilities will be available on site and we will be following an uplifted cleaning/sanitization routine of entry/exit to site and of any equipment used during sessions.

Sessions will last 2.5 hours and run on Tuesdays, Wednesdays and Thursdays throughout the six weeks of the summer holidays. You can book single or multiple sessions.
